

Directorate Agriculture, Punjab

SAS Nagar , Mohali
File No. 471-94/CP/E&T
Dated : 15/2/16

To

All Chief Agriculture officers
Punjab.

Subject : User Registration for android based Hailstorm mobile app.

It is intimated that this Android Based Mobile App ' Bhuvan Hailstorm ' can be downloaded from Google play store and from mkisan.gov.in

This app works in two modes :

- Data capturing by citizens as a step towards crowd sourcing
- Data capturing by State , District and Block level Officers.

In order to ensure that data entered by officer of state , district , and block can be plotted seperately on GIS . it is requested that users should register on mkisan portal (mkisan.gov.in) for Hailstorm Monitoring. Every state level users can be approved by the state level officer.

You are requested to get all users registered on mkisan.gov.in for hailstrom monitoring and download the mobile app so that this app can be used in case of Hailstrom.
